Dear Madam,

**Re: NARRABRI LOCAL ENVIRONMENTAL PLAN AMENDMENT – LOT 81 DP
2855 UGOA STREET NARRABRI**

I refer to previous correspondence in relation to the above matter and specifically your letter dated 21 March 2013.

Please find attached the revised Planning Proposal from the applicant's consultant. The amendments that have been suggested by both the Department and Council have now been incorporated into this latest version.

I am also of the view that this revised Planning Proposal is consistent with the intent of Council's original resolution of support on 17 July 2012.

Accordingly, the Department is now requested to formally accept the Planning Proposal for a Gateway Determination.

Should you require any further information please do not hesitate to contact myself within Planning and Development Services of Council.

Yours faithfully,

Mr Paul Bawden
