Section 117 Direction Checklist

Issue		Ministerial Direction	Compliance	Comment
1. Employment and Resources				
1.1	Business and Industrial Zones	A Planning Proposal shall encourage employment growth in suitable locations, protect employment lands and support the viability of "identified strategic centres". A Planning Proposal LEP shall retain the areas and locations of existing business and industrial zones. A Planning Proposal shall not reduce the total potential floor space area for employment uses and related public services in business zones. A Planning Proposal shall not reduce the total potential floor space area for industrial uses in industrial zones. A Planning Proposal shall ensure that proposed new employment areas are in accordance with an approved strategy.	N/A	
1.2	Rural Zones	A Planning Proposal shall not rezone rural land for urban purposes, including residential, business or industrial purposes. A Planning Proposal shall not contain provisions which will increase the permissible density of rural zoned land. A Planning Proposal shall not include provisions that control access from traffic generating developments to classified roads in rural zones.	N/A	
1.3	Mining, Petroleum Production and Extractive Industries	Council shall consult the Director-General of the Department of Primary Industries (DPI) to identify any resources of coal, petroleum and extractive materials of State or regional significance and existing mines or extractive industries occurring in the area subject to the draft LEP. Council shall seek advice from the Director-General of the DPI on the development potential of the identified resources. Council shall consider any likely conflict between the development of existing mines or extractive industries, or identified resources and other land uses. Where a Planning Proposal prohibits or restricts development of identified resources or is likely to conflict with other land uses, Council shall consult with the Director-General of the DPI concerning the draft LEP and provide a copy of any comments received to the	N/A	

Issue		Ministerial Direction	Compliance	Comment
1.4	Oyster Aquaculture	Director-General of the Department of Planning.	N/A	
		Council shall ensure the Planning Proposal is consistent with the <i>NSW Oyster Industry Sustainable Aquaculture Strategy (2006)</i> .		
		Council shall identify any Priority Oyster Aquaculture Areas (POAA) and oyster aquaculture leases outside such an area to which the Planning Proposal would apply.		
		Council shall identify any proposed land uses which could adversely impact on a POAA and oyster aquaculture leases outside such an area.		
		Council shall consider any likely incompatibilities between oyster aquaculture and other land uses and evaluate ameliorative measures.		
		Where a Planning Proposal could result in an impact on a POAA and oyster aquaculture leases outside such an area, Council shall consult the Director-General of the Department of Primary Industries (DPI) concerning the draft LEP and provide a copy of any comments received to the Director-General of the Department of Planning.		
2. Environment and Heritage				
2.1	Environmental Protection Zones	A Planning Proposal shall include provisions that facilitate the protection and conservation of environmentally sensitive areas. A Planning Proposal that applies to environmental protection zoned land or land identified for environmental protection purposes shall not reduce the protection standards that apply to the land.	N/A	
2.2	Coastal Protection	A Planning Proposal shall be consistent with the <i>NSW Coastal Policy: A Sustainable Future for the New South Wales Coast 1997</i> , the <i>Coastal Design Guidelines 2003</i> and the <i>NSW Coastline Management Manual 1990</i> .	N/A	
2.3	Heritage Conservation	A Planning Proposal shall contain provisions to facilitate the conservation of items, places, buildings, works, relics, moveable objects or precincts of environmental heritage significance. A Planning Proposal shall contain provisions that facilitate the conservation of areas, places, landscapes and objects identified of being of Aboriginal heritage significance.	Yes	The <i>Planning Proposal</i> retains the current provisions within the <i>HLSEP 1995</i> and draft <i>HLEP</i> relating to the conservation of heritage significance. The amendments to the schedule of heritage items would ensure that the significant heritage values within the Shire are identified and conserved.
2.4	Recreation Vehicle Areas	Planning Proposals shall not zone or enable land to be developed for a recreational vehicle area where the land is in an Environmental Protection Zone, is a beach or dune, or in other areas unless the council has taken into consideration relevant guidelines listed in the	N/A	

Issue		Ministerial Direction	Compliance	Comment
		Direction.		
3. Housing, Infrastructure and Urban Development				
3.1	Residential Zones	A Planning Proposal shall include housing provisions that broaden the choice of building types and housing locations, make more efficient use of existing infrastructure and services, reduce urban sprawl and be of good design. A Planning Proposal shall contain a requirement that residential development is not permitted until land is adequately serviced with water and sewerage. Draft Plans shall not contain provisions which reduce the permissible density on residential zoned lands.	Yes	The <i>Planning Proposal</i> retains the current density provisions of the <i>HSLEP 1994</i> and draft <i>HLEP</i> . Accordingly, the <i>Planning Proposal</i> is consistent with the housing provisions for residential zoned lands.
3.2	Caravan Parks and Manufactured Home Estates	Planning Proposals shall retain existing zones of land or utilise an appropriate zone under the Standard Instrument to permit caravan parks in LEPs. When preparing Planning Proposals, Council shall consider the categories of land and principles in SEPP No. 36 to determine suitable zones, locations and provisions for Manufactured Home Estates.	N/A	
3.3	Home Occupations	Planning Proposals shall permit home occupations to be carried out in dwelling houses without the need for development consent.	N/A	
3.4	Integrating Land Use and Transport	A Planning Proposal shall locate zones for urban purposes in areas in accordance with the identified guidelines and policies to reduce travel demand, including the number of trips generated by development and the distances travelled.	N/A	
3.4	Development Near Licensed Aerodromes	For a Planning Proposal affecting land in the vicinity of a licensed aerodrome, the Council shall consult with the Department of Commonwealth responsible for aerodromes and the lessee of the aerodrome. A Planning Proposal shall take into consideration the Obstacle Limitation Surface (OLS) and for land affected by the OLS permit development compatible with the operation of an aerodrome and prepare appropriate development standards. A Planning Proposal shall not rezone land for certain purposes listed in the direction where the Australian Noise Exposure Forecast (ANEF) exceeds the levels specified in the direction. Draft LEPs which rezone lands for such purposes shall include a provision regarding interior noise levels.	N/A	
4. Hazard and Risk				
4.1	Acid Sulphate Soils	Council shall consider the <i>Acid Sulphate Soils Planning Guidelines</i> adopted by the Director-General of the Department of Planning when	N/A	

Issue	Ministerial Direction	Compliance	Comment
	preparing a Planning Proposal that applies to any land identified on the Acid Sulphate Soils Risk Maps prepared by the Department of Natural Resources. Planning Proposals that regulate works in acid sulphate soils shall be consistent with the Acid Sulphate Soils Model LEP or such other provisions provided by the Director-General of the Department of Planning. Council shall not prepare a Planning Proposal that intensifies land uses on land having a probability of containing acid sulphate soils unless an acid sulphate soils study has been considered.		
4.2 Mine Subsidence and Unstable Land	Where the land is subject to mine subsidence, council shall consult the Mine Subsidence Board to ascertain if the Board has any objection to the Plan and the appropriateness of the development for the potential level of subsidence. A Planning Proposal shall not permit development on unstable land.	N/A	
4.3 Flood Prone Land	A Planning Proposal shall include provisions that give effect to the <i>NSW Flood Prone Land Policy</i> and are consistent with the <i>Floodplain Development Manual 2005</i>. A draft LEP shall not rezone land within the flood planning areas from Special Use, Special Purpose, Recreation, Rural or Environmental Protection Zones to a Residential, Business, Industrial, Special Use or Special Purpose Zone. A Planning Proposal shall not permit development in floodway areas, permit development that will significantly impact on other properties, permit a significant increase in development, result in a substantial increase in the need for government spending on flood mitigation, permit specified development without the need for consent. A Planning Proposal shall not impose flood related development controls above the flood planning level for residential development. In preparing a Planning Proposal, Council shall not determine a flood level inconsistent with the <i>Floodplain Development Manual 2005</i>.	N/A	
4.4 Planning for Bushfire Protection	Council shall consult with the Commissioner of the NSW Rural Fire Service in the preparation of any Planning Proposal following receipt of a gateway determination and prior to undertaking community consultation and take into account any comments made. A Planning Proposal shall have regard to Planning for Bushfire Protection 2006, avoid permitting inappropriate development in hazardous areas and ensure that hazard reduction is not prohibited in the asset	Yes	The <i>Planning Proposal</i> applies to some properties which are identified as bushfire prone land. However, the <i>Planning Proposal</i> retains the current bushfire protection provisions for the subject properties provided by the <i>HSLEP 1994</i> and draft <i>HLEP</i>.

Issue	Ministerial Direction	Compliance	Comment
	protection zone (APZ). A Planning Proposal, where development is proposed, shall comply with specified provisions to minimise bushfire hazard risk, as appropriate.		
5. Regional Planning			
5.1 Implementation of Regional Strategies	A Planning Proposal shall be consistent with a regional strategy released by the Minister for Planning.	Yes	The <i>Planning Proposal</i> is consistent with the objectives of the <i>Sydney Metropolitan Strategy</i> and draft <i>North Subregional Strategy</i>. In particular the <i>Planning Proposal</i> is consistent with the following directions: <i>E 6.1.2 Where heritage studies are out of date councils will be encouraged to update them as part of the preparation of their principal LEPs, including an update of heritage schedules. New heritage items included on these schedules should have statements of significance that describe the heritage significance of each item.</i> The <i>Planning Proposal</i> seeks to progress Council's most recent review for the inclusion, deletion or amendment of heritage items on Council's schedule of heritage items. <i>E 6.2 Recognise where Sydney's cultural heritage contributes to its unique character and quality and manage change appropriately to reinforce local distinctiveness.</i> The <i>Planning Proposal</i> recognises the unique features of the proposed new items to be included on Council's schedule of heritage items.
5.2 Sydney Drinking Water Catchments	A Planning Proposal shall be prepared in accordance with the general principle that water quality within the hydrological catchment must be protected and in accordance with specified principles.	N/A	

Issue		Ministerial Direction	Compliance	Comment
		When preparing a Planning Proposal that applies to land within a hydrological catchment, Council, shall consider any strategic land and water capability assessment, or a settlement or rural residential strategy, consult the Sydney Catchment Authority (SCA) under Section 62 of the EP&A Act and zone SCA land in accordance with the specified zones from the Standard Instrument.		
5.3	Farmland of State and Regional Significance on the NSW Far North Coast	A Planning Proposal shall not rezone land identified as "State Significant Farmland", "Regionally Significant Farmland" or "Significant non-contiguous farmland" for urban or rural residential purposes.	N/A	
5.4	Commercial and Retail Development along the Pacific Highway, North Coast	A Planning Proposal that applies to land "within town" shall provide that new commercial or retail development shall be concentrated within distinct centres rather than spread along the Pacific Highway. A draft LEP that applies to land "out of town" shall provide that new commercial or retail development shall not be established near the Pacific Highway. Development with frontage to the Pacific Highway shall consider the impact the development has on the safety and efficiency of the Highway. A Planning Proposal shall permit a highway service centre beside the Pacific Highway where they are located close to the town bypassed, the local economy is considered and there is adequate separation from other service centres. A Planning Proposal shall limit the uses permitted in highway service centres to those specified in the Direction.	N/A	
5.5	Development in the vicinity of Ellalong, Paxton and Millfield (Cessnock LGA)	Council shall not prepare a Planning Proposal that is inconsistent with relevant agreements and strategies that apply to the area.	N/A	
5.6	Sydney to Canberra Corridor	A Planning Proposal shall include provisions that give effect to, and are consistent with, the publication entitled <i>The Sydney to Canberra Corridor Strategy 1995</i> .	N/A	
5.7	Central Coast	A Planning Proposal shall be consistent with the Gosford-Wyong Structure Plan except as amended by the Sydney Regional Environmental Plan No. 6 – Gosford Coastal Areas.	N/A	
5.8	Sydney Second Airport: Badgerys Creek	Planning Proposals shall not contain provisions that enable development which could hinder the potential for development of a Second Sydney Airport.	N/A	
6. Local Plan Making				

Issue		Ministerial Direction	Compliance	Comment
6.1	Approval and Referral Requirements	A Planning Proposal shall minimise provisions requiring concurrence, consultation or referral of development applications to a Minister or public authority. A Planning Proposal shall not identify development as designated development unless Council can satisfy the Director-General that such is warranted.	N/A	
6.2	Reserving Land for Public Purposes	A Planning Proposal shall not create, alter or reduce existing reservations or zonings of land for public open space without the approval of the relevant public authority and the Director General. When a Minister or public authority requests a Council to reserve land for a public purpose, include provisions relating to the use of land reserved for a public purpose, rezone and/or remove a reservation, the Council shall accede to the request.	N/A	
6.3	Site Specific Provisions	A Planning Proposal that amends another LEP to allow a particular development to be carried out shall either: * allow that land use to be carried out in the zone; or * rezone the site to an existing zone without imposing any additional development standards or requirements applying to that zone; or * allow that land use on the land without imposing any development standards in addition to those already contained in the principal LEP being amended.	N/A	
7. Metropolitan Planning				
7.1	Implementation of the Metropolitan Plan for Sydney 2036	A Planning Proposal shall be consistent with the NSW Government's Metropolitan Plan for Sydney 2036 {published in December 2010} ("the Metropolitan Plan")	Yes	The <i>Planning Proposal</i> is consistent with the <i>Metropolitan Strategy</i>. The <i>Proposal</i> assists in fulfilling one of the aims of the <i>Strategy</i> by enhancing the liveability of the Shire through conservation of the Shires heritage resources and the quality of the environment, assisting to create attractive streetscapes and providing an appealing place to live. The <i>Planning Proposal</i> does not include land identified within the <i>Hornsby Shire Housing Strategy</i> which provides opportunities for new dwellings to assist in achieving Council's dwelling target under the <i>Metropolitan Strategy</i>.

Appendix G

Consultation Strategy

The *Planning Proposal* will be exhibited for the minimum period set out in the gateway determination.

Public Authorities

Notification letters and a copy of the Planning Proposal will be sent to relevant public authorities.

Advertisement in local newspapers

An advertisement will be placed in the Hornsby Advocate, Northern District Times and Hills News. The advertisement will identify the purpose of the Planning Proposal and where the Planning Proposal can be viewed.

Advertisement on the Council website

The Planning Proposal will be exhibited on the Council website (www.hornsby.nsw.gov.au) under About Council - On Exhibition – Current Exhibitions. Council's libraries have access to the website.

Letters to affected property owners

A letter will be sent to affected property owners advising of the exhibition of the Proposal and inviting submissions.

Letters to community and industry groups

A letter will be sent to the following local community and industry groups advising of the exhibition of the Proposal and inviting submissions: -

Historical Societies

- Dangar Island Historical Society
- Dharug and Lower Hawkesbury Historical Society
- Dural and District Historical Society
- Hornsby Shire Historical Society Inc

Historical – Other

- Convict Trail Project

- West Pennant Hills Valley Progress Association

Displays at the Council Administration Building and local libraries

The Planning Proposal will be displayed at the Council Administration Centre, 296 Pacific Highway, Hornsby and Hornsby Library.

Review of Consultation Strategy

Where submissions warrant, the consultation strategy may be reviewed to extend the exhibition period and/or the methods of consultation. This may occur where a submission provides reasonable justification for a request for an extension to the exhibition period or where Council is of the opinion an amendment to the consultation strategy would facilitate greater feedback on the draft Plan.

Following the exhibition period, any submissions received will be presented to the Hornsby Shire Council Heritage Advisory Committee for its consideration and a report on submissions will be presented to Council.
