Dear Mr Riley

Planning Proposal (PP_2013_DUBBO_002_00) to amend Dubbo Local Environmental Plan 2011 – South Dubbo Housing Choice

I am writing in response to your Council's letter received on 9 December 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 (EP&A Act) in respect of the planning proposal to change zone from R2 – Low density residential to zone R1 – General residential and change lot size from 600 m² to 300 m² as it applies to land bounded by Boundary Road, Macquarie, Hay, Wheeler, Palmer and off Cobra Streets, South Dubbo.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

The Minister delegated his plan making powers to Councils in October 2012. It is noted that Council has now accepted this delegation. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan (**Attachment 1**).

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office (parliamentary.counsel@pco.nsw.gov.au) 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department for administrative purposes at planmaking.monitoring@planning.nsw.gov.au.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

In accordance with "A Guide for the preparation of local environmental plans" attachment 5- Delegated plan making reporting template (**Attachment 2**) is enclosed for Council's information. Table 2 of the attachment is to be completed and included in Council's section 59 submission.

Should you have any queries in regard to this matter, please contact Wayne Garnsey of the Western Regional office of the Department on 02 68412180.

Yours sincerely,

 19-12-2013

Ashley Albury
General Manager, Western Region

Gateway Determination

Planning proposal (Department Ref: PP_2013_DUBBO_002_00): to change from zone R2 - Low Density Residential to zone R1 – General Residential and change lot size to 300 m2 for land bounded by Boundary Road, Macquarie, Hay, Wheeler, Palmer and off Cobra Streets, South Dubbo.

I, the General Manager, Western Region at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Dubbo Local Environmental Plan (LEP) 2011 to change the zone and lot size for land in South Dubbo should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 (EP&A Act) as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning & Infrastructure 2013)*.
2. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
3. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.

Dated *19th* day of *December* 2013.
