Dear Mr Edgar

**Planning proposal PP_2018_THILL_005_03 – Alteration of Gateway
Determination**

I refer to your letter dated 17 December 2019 requesting the Department of Planning, Industry and Environment (the Department) finalise the abovementioned planning proposal, relating to the delivery of a planned road and a vehicular bridge over Caddies Creek, due to an outstanding public authority objection.

The Department notes Council's request it withhold the finalisation of the planning proposal until such time as the Minister for Planning has endorsed draft amendments to the Contributions Plan No. 13 – North Kellyville Precinct.

I have determined as the delegate of the Minister, in accordance with section 3.34(7) of the *Environmental Planning and Assessment Act 1979*, to alter the Gateway determination dated 2 July 2018 for PP_2018_THILL_005_00 to remove Council as the local plan-making authority so that the Department can finalise the matter. The Alteration of Gateway determination is enclosed.

If you have any questions in relation to this matter, I have arranged for Ms Meghna D'souza to assist you. Ms D'souza can be contacted on 9274 6392.

Yours sincerely
