Mr BJ Corcoran
General Manager
Corowa Shire Council
PO Box 77
COROWA NSW 2646

Dear Mr Corcoran

**Planning proposal to amend Corowa Local Environmental Plan (2012) –
Amendment 4 – Amend River Front Building Line, Lang Street & Corowa
Road, Mulwala**

I am writing in response to your Council's letter dated 26 July 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 (EP&A Act) in respect of the planning proposal to amend the River Front Building Line for 16 properties in Lang Street and Corowa Road, Mulwala.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

It should be noted that I have not included Lot 2 DP 526577, No. 81 Corowa Road, Mulwala, in the Gateway Determination as the River Front Building Line is not being amended and will remain at 10 metres.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has now accepted this delegation. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office (parliamentary.counsel@pco.nsw.gov.au) 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department (planmaking.monitoring@planning.nsw.gov.au) for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Jenna McNabb of the regional office of the department on (02) 6841 2180.

Yours sincerely

A. W. Albury 1-08-2013

Gateway Determination

Planning proposal (Department Ref: PP_2013_COROW_004_00): to Amendment of River Front Building Line for 16 properties at Lang Street and Corowa Road, Mulwala, and amendment of applicable mapping.

I, the Regional Director, Western Region at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Corowa Local Environmental Plan (LEP) 2012 to Amendment of River Front Building Line for 16 properties at Lang Street and Corowa Road, Mulwala, and amendment of applicable mapping should proceed subject to the following conditions:

 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning & Infrastructure 2013)*.

 - River Front Building Line Map applicable to the subject land.

4. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
5. The timeframe for completing the LEP is to be 12 months from the week following the date of the Gateway determination.
