Gary
Dear Mr Murphy

Planning proposal to amend Lismore Local Environmental Plan 2012

I am writing in response to your Council's letter dated 1 May 2017 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 (the Act) in respect of the planning proposal to rezone part of Lot 28 DP 1130169, 55 Palmers Road, McLeans Ridges, and amend associated development standards, to facilitate a rural residential development and correct an existing LEP mapping anomaly.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed, as delegate of the Secretary, the planning proposal's inconsistencies with S117 Directions 1.2 Rural Zones, 1.3 Mining, Petroleum Production and Extractive Industries, 1.5 Rural Lands, 3.1 Residential Zones and 5.10 Implementation of Regional Plans are of minor significance. No further approval is required in relation to these Directions.

Council may still need to obtain the agreement of the Department's Secretary to comply with the requirements of S117 Direction 4.4 Planning for Bushfire Protection. Council should ensure this occurs prior to the plan being made.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet

these commitments, the Minister may take action under section 54(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Ms Jenna McNabb of the Department's regional office to assist you. Ms McNabb can be contacted on (02) 6641 6600.

Yours sincerely

 17 June 2017

I, the Executive Director, Regions at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Lismore Local Environmental Plan (LEP) 2012 to rezone part of Lot 28 DP 1130169, 55 Palmers Road, McLeans Ridges, and amend associated development standards, to facilitate a rural residential development and correct an existing LEP mapping anomaly should proceed subject to the following conditions:

5. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
6. The timeframe for completing the LEP is to be **12 months** from the week following the date of the Gateway determination.
