Planning proposal (Department Ref: PP_NAMBU_2020_001_00): to reclassify Lot 482 DP 700681 South Arm Road, South Arm from community land to operational land to support the development of the Bowraville Sporting Hub.

I, the Director at the Department of Planning, Industry and Environment, as delegate of the Minister for Planning and Public Spaces, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Nambucca Local Environmental Plan (LEP) 2010 to reclassify Lot 482 DP 700681 South Arm Road, South Arm from community land to operational land to support the development of the Bowraville Sporting Hub should proceed subject to the following conditions:

1. Public exhibition is required under section 3.34(2)(c) and schedule 1 clause 4 of the Act as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 6.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment, 2018).
2. Consultation is required with the following public authorities/organisations under section 3.34(2)(d) of the Act and/or to comply with the requirements of relevant section 9.1 Directions:
 - Bowraville Local Aboriginal Lands Council
 - Regional NSW (Heritage Division)
 - Rural Fire Service

Each public authority/organisation is to be provided with a copy of the planning proposal and any relevant supporting material and given at least 21 days to comment on the proposal.

3. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).

4. The time frame for completing the LEP is to be **9 months** following the date of the Gateway determination.

Dated 3rd day of February 2020.
