Dear Mr Greensill

Planning proposal to amend Clarence Valley Local Environmental Plan 2011

I am writing in response to your Council's letter dated 15 December 2014 requesting a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* ("EP&A Act") in respect of the planning proposal to include the Nymboida Police Station Complex at Lot 116 DP 723024, Armidale Rd, Nymboida in Schedule 5 Environmental Heritage of Clarence Valley LEP 2011 as a local heritage item.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

Council may still need to obtain the agreement of the Department's Secretary to comply with the requirements of S117 Direction 4.4 Planning for Bushfire Protection. Council should ensure this occurs prior to the plan being made.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 6 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Mr Craig Diss of the Department's regional office to assist you. Mr Diss can be contacted on (02) 6701 9685.

Yours sincerely

 18 December 2014

Gateway Determination

Planning proposal (Department Ref: PP_2014_CLARE_007_00): to include the Nymboida Police Station Complex at Lot 116 DP 723024, Armidale Rd, Nymboida in Schedule 5 Environmental Heritage of Clarence Valley LEP 2011 as a local heritage item.

I, the General Manager, Northern Region at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the EP&A Act that an amendment to the Clarence Valley Local Environmental Plan (LEP) 2011 to include the Nymboida Police Station Complex at Lot 116 DP 723024, Armidale Rd, Nymboida in Schedule 5 Environmental Heritage of Clarence Valley LEP 2011 as a local heritage item should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the *Environmental Planning and Assessment Act 1979* ("EP&A Act") as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs* (Department of Planning and Environment 2013) and must be made publicly available for a minimum of **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning and Environment 2013).
2. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act and/or to comply with the requirements of relevant S117 Directions:
 - Office of Environment and Heritage – Heritage Branch
 - NSW Rural Fire Service
 - NSW Police Force

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
3. Prior to exhibition, the planning proposal is to be amended to include:
 - (a) a project time line illustrating completion of the proposal within 6 months; and
 - (b) draft LEP heritage maps illustrating the proposed amendment prepared in accordance with the Department's standard technical requirements.
4. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).

5. The timeframe for completing the LEP is to be **6 months** from the week following the date of the Gateway determination.

Dated *18th* day of *December* 2014.
