Attention: Tracey Stephens, Planning Officer

Dear Ms Manns,

Planning Proposal (PP_2015_BROKE_001_00) to amend Broken Hill Local Environmental Plan 2013 – Proposed Additional Permitted Use – Funeral Home – Lots 954 and 4233 DP 757298 No 39 Morgan Street, Broken Hill.

I am writing in response to your Council's letter dated 12 March 2015 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act, 1979 in respect of the planning proposal to permit a funeral home as an additional permitted use at Lots 954 and 4233 DP 757298 No 39 Morgan Street, Broken Hill.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination. **(Attachment 1)**

The Minister delegated plan making powers to Councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan. **(Attachment 2)**.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office (parliamentary.council@pco.nsw.gov.au) 10 weeks prior to the projected publication date.

A copy of the request should be forwarded to the Department of Planning and Environment (westernregion@planning.nsw.gov.au) for administrative purposes.

The additional permitted use map and GIS data is to be uploaded to the Departments FTP site at ftp://lepup:lep_upload@203.3.194.247/ and the map information emailed to: pccgis@planning.nsw.gov.au and a copy to westernregion@planning.nsw.gov.au.

In accordance with "A guide for the preparation of local environmental plans" attachment 5 – Delegated plan making reporting template **(Attachment 3)** is enclosed for Council's information. Table 2 of the attachment is to be completed and included in Council's section 59 submission and forwarded to the westernregion@planning.nsw.gov.au when requesting the planning proposal be finalised.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the Environmental Planning & Assessment Act, 1979 if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Wayne Garnsey of the Departments Western Region office to assist you. Mr Garnsey can be contacted on 02 68412180.

Yours sincerely,

 25-3-2015

Gateway Determination

Planning Proposal (Department Ref: PP_2015_BROKE_001_00): to amend Broken Hill Local Environmental Plan 2013 – Proposed Additional Permitted Use – Funeral Home – Lots 954 and 4233 DP 757298 No 39 Morgan Street, Broken Hill.

I, the General Manager, Western Region at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the Environmental Planning and Assessment Act, 1979 that an amendment to the Broken Hill Local Environmental Plan (LEP) 2013 to permit a funeral home as an additional permitted use at Lots 954 and 4233 DP 757298 No 39 Morgan Street, Broken Hill should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act, 1979 as follows:
 - (a) the planning proposal must be made publicly available for a minimum of 28 days; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning & Infrastructure 2013)*.

No consultation is required with public authorities under section 56(2)(d) of the Environmental Planning and Assessment Act, 1979.

2. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the Environmental Planning & Assessment Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
3. Broken Hill City Council is to prepare an Additional Permitted Use Map identifying Lots 954 and 4233 DP 757298 with the section 59 reporting. The Additional Permitted Use Map is to be compliant with the Department's "Standard technical requirements for LEP Maps".
4. The timeframe for completing the LEP is to be 9 months from the week following the date of the Gateway determination.

Dated 25th day of March 2015.
