Dear Mr Craig Swift-McNair

Planning proposal to amend Port Macquarie-Hastings LEP 2011

I am writing in response to your Council's letter dated 20 March 2015 requesting a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* (EP&A Act) in respect of the planning proposal to undertake various zoning, floor space and building height amendments to Port Macquarie-Hastings LEP 2011 to promote urban consolidation in the East Port Macquarie area.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed, as delegate of the Secretary, the planning proposal's inconsistencies with S117 Directions 1.1 Business and Industrial Zones and 3.1 Residential Zones are of minor significance. No further approval is required in relation to these Directions.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Mr Craig Diss of the Department's regional office to assist you. Mr Diss can be contacted on (02) 6701 9685.

Yours sincerely

 8 April 2015

Gateway Determination

Planning proposal (Department Ref: PP_2015_PORTM_001_00): to undertake various zoning, floor space and building height amendments to Port Macquarie-Hastings LEP 2011 to promote urban consolidation in the East Port Macquarie area.

I, the General Manager, Northern Region at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (EP&A Act) that an amendment to the Port Macquarie-Hastings Local Environmental Plan 2011 to undertake various zoning, floor space and building height amendments to promote urban consolidation in the East Port Macquarie area should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the EP&A Act as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning and Infrastructure 2013).
2. No consultation is required with public authorities under section 56(2)(d) of the EP&A Act.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be **12 months** from the week following the date of the Gateway determination.
