Attention: Peter Harlow, Director of Strategic and Planning Services

Dear Ms Roberts

**Planning Proposal (PP_2015_WELLI_004_00) to amend Wellington LEP 2012
– Lot 1 DP 819164 at Elong Elong**

I am writing in response to your Council's letter dated 6 March 2015 requesting a Gateway determination under section 56(1) of the Environmental Planning and Assessment Act 1979 (EP&A Act) with respect to the planning proposal to amend the Wellington LEP 2012 to rezone land at Lot 1 DP 819164 at Elong Elong from zone SP2 Infrastructure (Railway) to zone IN1 General Industrial.

As a delegate of the Minister for Planning, I have determined the planning proposal should proceed subject to the conditions in the attached Gateway determination **(Attachment 1)**.

The Minister delegated his plan making powers to Councils in October 2012. It is noted that Council has accepted this delegation. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan **(Attachment 2)**.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office (parliamentary.counsel@pco.nsw.gov.au) 10 weeks prior to the projected publication date.

A copy of the request should be forwarded to the Department of Planning and Environment (westernregion@planning.nsw.gov.au) for administrative purposes.

The amended LEP maps and GIS data is to be uploaded to the Departments FTP site at ftp://lepup:lep_upload@203.3.194.247/ and the map information emailed to: pocgis@planning.nsw.gov.au and a copy to westernregion@planning.nsw.gov.au

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

In accordance with "A guide for the preparation of local environmental plans", Attachment 5 – Delegated plan making reporting template (**Attachment 3**) is enclosed for Council's information. Table 2 of the attachment is to be completed and forward to westernregion@planning.nsw.gov.au when requesting the planning proposal to be notified.

Should you have any queries in regard to this matter, I have arranged for Nicole Dukinfield, Planning Officer, to assist you. Ms Dukinfield can be contacted on (02) 6841 2180.

Yours sincerely,

 2-04-2015

Gateway Determination

Planning proposal (PP_2015_WELLI_004_00) to amend the Wellington Local Environmental Plan 2012 to rezone Lot 1 DP 819164 from zone SP2 Infrastructure (Railway) to zone IN1 General Industrial – Elong Elong.

I, the General Manager, Western Region of the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act, 1979* (the Act) that an amendment to the *Wellington Local Environmental Plan (LEP) 2012* to rezone land from zone SP2 Infrastructure (Railway) to zone IN1 General Industrial at Elong Elong should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 as follows:
 - (a) The planning proposal is required to be made publicly available on exhibition for 28 days as described in A Guide to Preparing LEPs (Department of Planning and Infrastructure 2013).
 - (b) The relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of A Guide to Preparing LEPs.
2. Consultation is required with the following State Agencies under Section 56 (2)(d) of the Environmental Planning and Assessment Act 1979:
 - (a) Transport for New South Wales, on behalf of the ARTC
 - (b) NSW Roads and Maritime Services

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the planning proposal prior to community consultation.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the Environmental Planning and Assessment Act 1979. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. Prior to submission of the planning proposal under Section 59 of the Environmental Planning and Assessment Act 1979, an amending Land Zoning Map LZN_003 must be prepared and be compliant with the Department's 'Standard Technical Requirements for LEP maps'.
5. The timeframe for completing the LEP is to be 12 months from the week following the date of the Gateway determination.
