Dear Mr Hickey

Planning proposal to amend Ballina Local Environmental Plan 2012

I am writing in response to your Council's letter dated 1 April 2015 requesting a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* (EP&A Act) in respect of the planning proposal to realign the boundary of the Additional Permitted Use map as it relates to the highway service centre at Teven Road interchange, West Ballina (Part Lots 13 and 14 DP 1013485 and Lot 15 DP 1013485).

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed the planning proposal's inconsistencies with S117 Directions 1.5 Rural Lands, 4.1 Acid Sulphate Soils and 4.3 Flood Prone Land is of minor significance. No further approval is required in relation to these Directions.

In relation to S117 Direction 4.4 Planning for Bushfire Protection, Council is to consult with the NSW Rural Fire Service and amend the planning proposal (if necessary) to take into consideration any comments prior to undertaking exhibition of the planning proposal. Council may still need to obtain the agreement of the Department's Secretary to comply with this direction. Council should ensure this occurs prior to the plan being made.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within nine (9) months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged Ms Katrina Burbidge of the Department's regional office to assist you. Ms Burbidge can be contacted on (02) 6641 6606.

Yours sincerely

 15 April 2015

Gateway Determination

Planning proposal (Department Ref: PP_2015_BALLI_003_00): to realign the boundary of the Additional Permitted Use map as it relates to the highway service centre at Teven Road interchange, West Ballina (Part Lots 13 and 14 DP 1013485 and Lot 15 DP 1013485).

I, the General Manager, Northern Region at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (EP&A Act) that an amendment to the Ballina Local Environmental Plan (LEP) (2012) to realign the boundary of the Additional Permitted Use map as it relates to the highway service centre at Teven Road interchange, West Ballina (Part Lots 13 and 14 DP 1013485 and Lot 15 DP 1013485) should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the EP&A Act as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs* (Department of Planning and Environment 2013) and must be made publicly available for a minimum of **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning and Environment 2013).
2. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act and/or to comply with the requirements of relevant S117 Directions:
 - NSW Road and Maritime Services; and
 - NSW Rural Fire Service (S 117 Direction 4.4 Planning for Bushfire Protection).

Council is to consult with the Commissioner of the NSW Rural Fire Service prior to undertaking community consultation, and take into account any comments made as per the requirements of S 117 Direction 4.4 Planning for Bushfire Protection.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
