**Subject:** Draft Wellington Local Environmental Plan (Amendment No. 2) - Request for Extension of Time

Wayne,

On behalf of Western Plains Regional Council I request an extension of time to complete the tasks involved towards notification of draft Wellington Local Environmental Plan (Amendment No. 2).

The draft Amendment is currently being finalised towards notification. Progress in respect of the draft Amendment has been impacted by the following factors:

1. The Amalgamation of Dubbo City and Wellington Council's on 12 May 2016.
2. Uncertainty in respect of the Planning Proposal progress due to staff changes following the Amalgamation.
3. A requirement to undertake changes to mapping included in the draft Amendment to align with the Planning Proposal that was placed on public exhibition and subsequently adopted by the former Wellington Council.

It is requested that an extension of time be granted for a period of two (2) months in which to seek notification of the draft Amendment.

If you require any further information please let me know.

Thanks
