Hi Wayne,

[REDACTED]
Yes, had a great break, although worked either side of the closure.

Can we please have an extension with the Housekeeping one. We are in discussion with PC to finalise the PP, but suspect we need a few more months to make sure it's put to bed.

[REDACTED]
We are working on the LSPS and am hoping to have a draft version ready for your review in the coming weeks. We might need a catchup once you review the LSPS.

Cheers,
