Statement of significance: Related items in vicinity. A site of historic significance, relating to the hey-days of steam powered activities, high employment, and a part of the rail complex that made Temora a major rail centre in earlier western NSW history.

Historical notes of provenance: Originally an extensive roundhouse, with appropriate engine servicing facilities, over time, with the decline of the use of steam, and the decline of Temora as a railway servicing centre, the site has been cleared, covered and planted to trees.
