Mr Merv Ismay
General Manager
Holroyd City Council
PO Box 42
MERRYLANDS NSW 2160

Dear Mr Ismay,

Planning proposal to amend Holroyd Local Environmental Plan 2013

I am writing in response to your Council's letter dated 20 June 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to reclassify land at 28-36 McFarlane Street, Merrylands from 'community' to 'operational' land.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

Council is reminded of its obligations for undertaking a public hearing in relation to the proposed reclassification of land in accordance with the department's practice note PN09-003, *Classification and reclassification of public land through a local environmental plan*.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan because the Governor's approval is not required in this instance.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Shane Nugent of the regional office of the department on 02 9860 1560.

Yours sincerely,

Gateway Determination

Planning proposal (Department Ref: PP_2013_HOLRO_001_00): to reclassify land at Merrylands from 'community' to 'operational' land.

I, the Acting Executive Director, Metropolitan Planning at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Holroyd Local Environmental Plan (LEP) 2013 to reclassify land at 28-36 McFarlane Street, Merrylands from 'community' to 'operational' land should proceed subject to the following conditions:

1. Council is to ensure the planning proposal addresses the Director-General's requirements relating to the reclassification of public land consistent with section 5.5.4 of *A Guide to Preparing LEPs*.
2. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning & Infrastructure 2013)*.
3. No consultation is required with public authorities under section 56(2)(d) of the EPA Act.
4. A public hearing is not required to be held into the matter under section 56(2)(e) of the EP&A Act. However, a public hearing is required to be held into the matter in accordance with the department's practice note PN09-003, as the planning proposal involves a reclassification of land from community to operational.
5. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.

Dated 10th day of JULY 2013.
