Chenopodiaceae																													
* Chenopodium album	Fat Hen																									3			
Chenopodium cristatum	Crested Crumbweed																										1		
Einadia hastata	Berry Saltbush				2	2				4				3				3	4			3	4			3	2	4	4
Einadia nufans subsp. linifolia	Climbing Saltbush									3																	1	2	
Einadia trigonos	Fishweed					2		2	1	3	1							1	2			4	3			4	4	3	
Clusiaceae																		1								1			
Hypericum gramineum	Small St Johns-wort																												
Convolvulaceae																													
* Convolvulus floridus	Shrub Convolvulus							1																					
Dichondra repens	Kidney-weed, Mercury Bay Weed	1	1	3	4	4	3	3	4	4	1		1	2	1		2	3	3			3	1		3	3	3	2	
Dilleniaceae																													
Hibbertia aspera	Rough Guinea-flower	2	4		3	1			2				1	2		2						1	1		3	3			
Hibbertia diffusa	Guinea-flower	2		1																					1				
Epacridaceae																													
Astroloma humifusum	Cranberry Heath					2	2																						
Leucopogon juniperinus	Long-flowered Beard-heath	4	4	4	4	4	3	4	3		1		3	1	3			4	1	4			3	2	2	3		1	
Euphorbiaceae																													
Breytia oblongifolia	Coffee Bush	1			1																								
Phyllanthus hirtellus	Thyme Spurge		3										1																
Poranthera microphylla	Small Poranthera	2		1	1		2	1	3		4	4	3		1	3					1				1	1			
Fabaceae Caesalpinioideae																													
* Senna pendula var. glabrata										1					2														
Fabaceae Faboideae																													
Bossiaea prostrata	Tick-trefoil																							3				1	
Desmodium rhizophyllum	Slender Tick-trefoil					1	3			3	1															1		1	
Glycine clandestina	Twining Glycine	4	4	2	3	3	4	2	4	3	3	3	3	1	4			2	4	3	1	4	3	3	4	1	3	2	
Glycine tabacina						1				4															1	1			
Gompholobium inconspicuum																									1				
Hardenbergia violacea	False Sarsaparilla					1		2										1							1				
Indigofera australis	Native Indigo																										2		
Kennedia prostrata	Scarlet Coral-pea, Running Postman																2												
Kennedia rubicunda	Dusky Coral-pea												1				2				3				1			1	
* Lotus angustissimus	Slender Birdfoot Trefoil																												
Podolobium illicifolium	Native Holly, Prickly Shaggy-pea																								2				
Fabaceae Mimosoideae																													
Acacia binervata	Two-veined Hickory														1	3		4								3			

Botanical name		Common name		Sampling location																								
		Q1	Q2	Q3	Q4	Q5	Q6	Q7	Q8	Q9	Q10	Q11	Q12	Q13	Q14	Q15	Q16	Q17	Q18	Q19	Q20	Q21	Q22	Q23	Q24	Q25	Q26	
Eucalyptus punctata																												
Eucalyptus resinifera subsp. resinifera		1	1						1		4	4	4	1	4	4	1		4	2	1		2	2				
Eucalyptus sp.											1	1	1	2	1					1								
Eucalyptus tereticornis																												
Kunzea ambigua						1	4			4								4		4								
Leptospermum polygalifolium subsp. poly		4	4	1	4	4		4	3				3	1	4		4	4	4		1	2	1	3				
Leptospermum trinervium														1														
Paperbark Tea-tree													2							1								
Melaleuca stypelioides															1		1	4	4		2	4						
Nyctaginaceae																												
* Mirabilis jalapa														1														
Ochnaceae																												
* Ochna serrulata																									1			
Oleaceae																												
* Ligustrum lucidum								3		2																	2	
* Ligustrum sinense							1	1		2																	2	
Notelaea longifolia		2		2	2	1			1			3	2	4	1			2						1				
* Olea europaea subsp. cuspidata										1														1				
Oxalidaceae																												
Oxalis exilis																												
Oxalis perennans		4	2	2	3	2	2	2	3	2	2	1	2		1		3	1	2					3	3	2	2	
Passifloraceae																												
Passiflora herbertiana						1			1	2	3	1	1	2				4	2		3	2	1	3				
Phytolaccaceae																												
* Phytolacca octandra										3																		
Pittosporaceae																												
Billardiera scandens		1	1		1			1	1		1	1			2				1	1	1	1	2	1				
Bursaria spinosa			1	4	3	4	4	4		4	3			1	1		4							2		1	4	
Pittosporum revolutum														1														
Plantaginaceae																												
Plantago debilis						1									1													
* Plantago lanceolata							1			3								1							1	2	1	
Polygonaceae																												
* Polygonum aviculare																										1		
Rumex brownii														1											1			
Primulaceae																												
* Anagallis arvensis						1	1	1			3																2	

Botanical name	Common name	Sampling location																									
		Q1	Q2	Q3	Q4	Q5	Q6	Q7	Q8	Q9	Q10	Q11	Q12	Q13	Q14	Q15	Q16	Q17	Q18	Q19	Q20	Q21	Q22	Q23	Q24	Q25	Q26
Sterculiaceae																											
Brachychiton populneus subsp. populneus	Kurrajong							1																			
Thymelaeaceae																											
Pimelea linifolia	Rice Flower	4	1	2	4		2	3			4	4		4	1					2			2				
Ulmaceae																											
Trema tomentosa var. viridis	Poison Peach, Peach-leaf Poison Bush													1													
Violaceae																											
Viola hederacea	Native Violet, Ivy-leaved Violet	1																									
* Viola odorata	Violet								1																		
4. Monocotyledons																											
Alliaceae																											
* Agapanthus praecox subsp. orientalis	Agapanthus																							1			
Anthericaceae																											
Anthropodium milleflorum	Vanilla Lily	2				1	1							1				1									1
Caesia parviflora	Pale Grass Lily							1	2	3																	
Laxmannia gracilis	Slender Wire Lily	1													1												
Thysanotus tuberosus	Common Fringe Lily, Fringed Violet														1												
Tricoryne elatior	Yellow Rush Lily				1	1	1		1	1													2				1
Asparagaceae																											
* Asparagus aethiopicus	Asparagus Fern																	1									
* Asparagus asparagoides	Bridal Creeper		1			3	4	4	3					1												2	2
Commelinaceae																											
* Tradescantia albiflora	Wandering Jew																1										
Cyperaceae																											
Carex breviculmis	Knob Sedge						1	3																1			1
Carex inversa	Drooping Sedge			1				1						2											2		
Carex longibrachiata	Drain Flat-sedge, Umbrella Sedge													2													
* Cyperus eragrostis	Cyperus gracilis																										1
Gahnia aspera	Rough-leaved Saw-sedge	3	1										1					1			1	2	1				
Gahnia radula																											
Lepidosperma laterale	Variable Sword-sedge	1	3	2	4	1		3	4		2	3	3	2	3	1	1	1	4	2		2	2	1			
Juncaceae																											
Juncus homalocalis																										1	
Juncus subsecundus																									1		1
Juncus ustatus
