Dear Mr Pinyon,

Re: Planning Proposal for reclassification of Part No. 5 New Street, Lawson (Lot 2 DP 560105) and 1A Honour Avenue, Lawson (Lot 9 DP 263794) from Community to Operational

I am writing in response to your Council's letter dated 20 August 2009 requesting a Gateway Determination under section 56 of the Environmental Planning and Assessment Act 1979 ('EP&A Act') in respect of the planning proposal to amend Blue Mountains Local Environmental Plan 2005 through the reclassification of Part No. 5 New Street, Lawson (Lot 2 DP 560105) and 1A Honour Avenue, Lawson (Lot 9 DP 263794) from Community to Operational.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway Determination.

The Gateway Determination requires that the planning proposal be made publicly available for a period of 28 days. Under section 57(2) of the Act I am satisfied that the planning proposal is in a form that can be made available for community consultation.

The amending Local Environmental Plan (LEP) is to be finalised within 3 months of the week following the date of the Gateway Determination.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact the Regional Office of the Department.

Yours sincerely,

Sam Haddad
Director-General
