Dear Mr Pinyon

Planning proposal to amend Wagga Wagga Local Environmental Plan 2010

I am writing in response to your Council's letter dated 23 June 2014 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal comprising nine items to amend the Land Zoning Map, Lot Size Map, Height of Buildings Map, Floor Space Ratio Map, Reclassification (Part Lots) Map, land use table and to insert/amend local clauses.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed the planning proposal's inconsistency with S117 Direction's 4.3 Flood Prone Land is justified because it is of minor significance. No further approval is required in relation to this Direction. The planning proposal is considered to be consistent with all other relevant s117 Directions or any inconsistencies are considered to be of minor significance.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet

these commitments, the Minister may take action under section 54(2) (d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Mr Graham Judge of the Department's Southern Region office to assist you. Mr Judge can be contacted on (02) 6229 7906.

Yours sincerely

Gateway Determination

Planning proposal (Department Ref: PP_2014_WAGGA_001_00): comprising nine items to amend the Land Zoning Map, Lot Size Map, Heights of Buildings Map, Floor Space Ratio Map, Reclassification (Part Lots) Map, land use table and to insert/amend local clauses.

I, the A/General Manager, Southern Region at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the EP&A Act that an amendment to the Wagga Wagga Local Environmental Plan (LEP) 2010 to amend the Land Zoning Map, Lot Size Map, Height of Buildings Map, Floor Space Ratio Map, Reclassification (Part Lots) Map, land use table and to insert/amend local clauses (nine items) should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A guide to preparing LEPs (Department of Planning and Environment 2013)*.
2. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act and/or to comply with the requirements of relevant S117 Directions:
 - Department of Environment and Heritage
 - NSW Rural Fire Service
 - Transport NSW – Roads and Maritime Services

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be **12 months** from the week following the date of the Gateway determination.

Dated 1 day of August 2014.
