Regional Director, Sydney West Region
Department of Planning and Infrastructure
GPO Box 39
SYDNEY NSW 2001

Dear Mr Goth

**Section 56 Gateway Determination for Planning Proposal – Amendments to
*Penrith Local Environmental Plan 2010***

Council has received a Planning Proposal seeking amendments to *Penrith Local Environmental Plan 2010* (LEP 2010), under section 55 of the *Environmental Planning and Assessment Act 1979* (the Act).

The Planning Proposal seeks the application of an industrial zone and associated development standards to approximately 18 hectares of the approximate 23 hectares of land located at 1-4 Old Bathurst Road, Emu Plains (the Site). The Planning Proposal seeks an environmental zone for the remainder of the Site.

The Planning Proposal has been the subject of an evaluation by the Department of Planning and Infrastructure (the Department). That evaluation concluded that:

"[...] there is sufficient strategic justification to pursue a rezoning of the Site for industrial purposes subject to appropriate planning consideration including an independent review on flooding issues. In this regard, it is considered appropriate that the proposal be forwarded to the Gateway, taking into consideration the findings of the Review."

The evaluation also suggested 'terms of reference' for an independent review of the flooding matters affecting the rezoning of the Site.
