

Mr Matthew Hyde  
Chief Executive Officer  
Snowy Valleys Council  
PO Box 61  
TUMBARUMBA NSW 2653

Dear Mr Hyde

**Planning proposal PP\_2020\_SVALL\_001\_00 to amend Tumut Local Environmental Plan 2012**

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to include 'artisan food and drink industry' as 'permitted with consent' in the Land Use Table of zone B2 Local Centre.

As delegate of the Minister for Planning and Public Spaces, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

It is noted that Council has not requested to be authorised as the local plan-making authority. I have considered the nature of Council's planning proposal and have conditioned the Gateway for Council to be authorised as the local plan-making authority.

The amending local environmental plan (LEP) is to be finalised within six months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office six weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning, Industry and Environment Western Region Office ([westernregion@planning.nsw.gov.au](mailto:westernregion@planning.nsw.gov.au)) for administrative purposes.

All related files for the LEP amendment must be submitted to the Department via the Planning Portal Website at [www.planningportal.nsw.gov.au/reporting/online-submission-planning-data](http://www.planningportal.nsw.gov.au/reporting/online-submission-planning-data).

The state government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any enquiries about this matter, I have arranged for Mr Paul Amoateng, Planning Officer, from the Department of Planning, Industry and Environment, Western Region office, to assist you. Mr Amoateng can be contacted on 6983 4909.

Yours sincerely
