Mr Peter Jackson
General Manager
Hawkesbury City Council
PO Box 146
WINDSOR NSW 2756

Dear Mr Jackson,

Re: Planning Proposal to rezone land at McGraths Hill

I am writing in response to your Council's letter dated 22 February 2010 requesting a Gateway Determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to amend the Hawkesbury Local Environmental Plan 1989 to rezone land at Windsor Road, McGraths Hill from Rural Living to 4(b) Industry Light.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway Determination.

The Gateway Determination requires that the planning proposal be made publicly available for a period of 14 days. Under section 57(2) of the Act, I am satisfied that the planning proposal, when amended as required by the Gateway Determination, is in a form that can be made available for community consultation.

The amending Local Environmental Plan (LEP) is to be finalised within 6 months of the week following the date of the Gateway Determination.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Chris Browne of the Regional Office of the Department on 02 9873 8500.

Yours sincerely,

16/3/10

I, the Deputy Director General, Plan Making & Urban Renewal as delegate of the Minister for Planning, have determined under section 56(2) of the EP&A Act that an amendment to the Hawkesbury Local Environmental Plan 1989 to rezone part lots A and B DP 411701, 126 and 130 Windsor Road, McGraths Hill from Rural Living to 4(b) Industry Light should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs (Department of Planning 2009)* and must be made publicly available for **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 4.5 of *A Guide to Preparing LEPs (Department of Planning 2009)*.
2. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act:

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material. Public authorities may request additional information or additional matters to be addressed in the planning proposal.

3. No public hearing is to be held into the matter under section 56(2)(e) of the EP&A Act. This does not have any bearing on the need to conduct a public hearing under the provisions of any other legislation.
4. The timeframe for completing the LEP is to be **6 months** from the week following the date of the Gateway determination.
