Dear Ms Fishburn

**Planning proposal to amend Liverpool Local Environmental Plan 2008 –
[PP_2017_LPOOL_001_00]**

I am writing in response to Council's request on 29 March 2017 in relation to the conditions of Gateway determination for the above planning proposal.

I note Council's request to endorse the additional information in relation to conditions 1(a) and (b) of the Gateway determination. I note these conditions required Council to revise the planning proposal to update the land description of the site and to address the draft District Plan.

As delegate of the Greater Sydney Commission, I have agreed that the revised planning proposal submitted by Council dated 29 March 2017, has satisfactorily addressed the required information as it relates to conditions 1(a) and (b) of the Gateway determination. No changes are required to the Gateway determination. The Council can now proceed with the public consultation process, subject to other conditions of the Gateway determination.

If you have any enquiries in regard to this matter, I have arranged for Ms Cho Cho Myint of the Department's Sydney Region West office to assist you. Ms Myint can be contacted on (02) 9860 1507.

Yours sincerely,

30/03/17
