Dear Mr Garnett

**Re: BSCPP 14/008 Burns Point Ferry Road, West Ballina - Ref: PP_2014_BALLI_007_00
Request for Altered Gateway Determination**

I refer to the above matter and the email from Paul Garnett to Klaus Kerzinger dated 23 October 2018 advising that the proposed changes to the planning proposal will require the issue of an altered Gateway determination. It is advised that Council at its Ordinary Meeting on 13 December 2018 resolved to seek an altered Gateway determination relating to the deletion of the additional permitted use area for the interpretive centre site prior to finalisation of the planning proposal.

The altered planning proposal is attached for the Department's consideration.

Council looks forward to receiving an altered Gateway determination in due course. Should you require any further information or wish to discuss this matter, please contact me on 6686 1454 or by email leah.toole@ballina.nsw.gov.au.

Yours faithfully
