Dear Mr Swift-McNair

Planning proposal to amend Port Macquarie-Hastings LEP 2011

I am writing in response to your Council's letter dated 23 December 2016 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 (the Act) in respect of the planning proposal to rezoning land for a Regional Sporting Complex in Wauchope.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed, as delegate of the Secretary, the planning proposal's inconsistencies with S117 Directions 4.1 Acid Sulfate Soils, 4.3 Flood Prone Land and 6.2 Reserving Land for Public Purposes are justified in accordance with the terms of the directions. No further approval is required in relation to these Directions.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Mr Jon Stone of the Department's regional office to assist you. Mr Stone can be contacted on (02) 6701 9688.

Yours sincerely

Gateway Determination

Planning proposal (Department Ref: PP_2017_PORTM_001_00): to rezone land in Wauchope to facilitate the development of a regional sporting complex.

I, the Acting Director Regions, Northern at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Port Macquarie Hastings Local Environmental Plan (LEP) 2011 to rezone land in Wauchope to facilitate the development of a regional sporting complex, should proceed subject to the following conditions:

1. Prior to public exhibition, the planning proposal shall be amended to remove references to the reclassification of the land from 'operational' to 'community' by the LEP amendment process.
2. Prior to public exhibition, an Aboriginal cultural heritage assessment is to be undertaken for the site and the planning proposal amended if necessary to address the outcomes of the assessment. The Aboriginal cultural heritage assessment is to be included with the documentation used for community consultation for the planning proposal.
3. Community consultation is required under sections 56(2)(c) and 57 of the Act as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**;
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning and Environment 2016); and
4. Consultation is required with the following public authorities or organisations under section 56(2)(d) of the Act and/or to comply with the requirements of relevant S117 Directions:
 - NSW Office of Environment and Heritage
 - Birpai Local Aboriginal Land Council
 - Department of Primary Industries – Agriculture
 - NSW Roads and Maritime Service
 - Essential Energy
 - Telstra
 - Transgrid

Each public authority or organisation is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.

5. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
6. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.
