Mr Frank Zaknich
General Manager
Albury City Council
PO Box 323
ALBURY NSW 2640

Dear Mr Zaknich,

Planning proposal to amend the Albury Local Environmental Plan 2010

I am writing in response to your Council's letter dated 30 July 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to rezone part Lot 757 DP 1186094 to R1 General Residential Zone and E3 Environmental Management Zone and amend the minimum lot size to 450 m² (R1 Zone) and 100 ha (E3 Zone).

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed the planning proposal's inconsistency with S117 Direction 3.1 Residential Zones is of minor significance. No further approval is required in relation to any section 117 Directions while the planning proposal remains in its current form.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has now accepted this delegation. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise the Minister's delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2) (d) of the EP&A Act if the time frames outlined in this determination are not met.

Gateway Determination

Planning proposal (Department Ref: PP_2013_ALBUR_003_00): to rezone part Lot 757 DP 1186094 to R1 General Residential Zone and E3 Environmental Management Zone and amend the minimum lot size to 450 m² (R1 Zone) and 100 ha (E3 Zone).

I, the Regional Director, Southern Regional Team at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Albury Local Environmental Plan (LEP) 2010 to rezone part Lot 757 DP 1186094 to R1 General Residential Zone and E3 Environmental Management Zone and amend the minimum lot size to 450 m² (R1 Zone) and 100 ha (E3 Zone) should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning & Infrastructure 2013).
2. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act:
 - Office of Environment and Heritage
 - Murray Catchment Management Authority
 - Albury Local Aboriginal Land Council

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.

3. A public hearing is not required to be held into the matter by any person or body under section 56(2) (e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).

Planning & Infrastructure

4. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.

Dated 2nd day of August 2013.
