

Mr David Sherley
General Manager
Bathurst Regional Council
Private Mail Bag 17
BATHURST NSW 2795

Attention: Janet Bingham, Manager Strategic Planning

Dear Mr Sherley

Planning proposal [PP_2019_BATHU_001_00] to amend Bathurst Regional Local Environmental Plan 2014 – Health Services Facilities on land zoned RE2 Private Recreation.

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) and additional information received on 17 April 2019 in respect of the planning proposal to allow Health Services Facilities as a permissible use on land zoned RE2 Private Recreation.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

I have also agreed, as delegate of the Secretary, the planning proposal's inconsistency with section 9.1 Direction 4.3 Flood Prone Land is justified in accordance with the terms of the Direction. No further approval is required in relation to this Direction.

It is noted that Council has requested to be authorised as the local plan-making authority. I have considered the nature of Council's planning proposal and have conditioned the Gateway for Council to be authorised as the local plan-making authority.

The amending local environmental plan (LEP) is to be finalised within 12 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office ten (10) weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment –Western region office (westernregion@planning.nsw.gov.au).

All related files for the LEP Amendment, including planning proposal documents must be submitted to the Department via the Planning Portal Website at www.planningportal.nsw.gov.au/planning-tools/on-line-submission-planning-data

To submit the data, Council is required to create an account and log in using these details.

In accordance with "A guide for the preparation of local environmental plans" Authorised plan making reporting template is enclosed for Council's information. Table 2 of the attachment is to be completed and included in Council's section 3.36 submission when requesting the planning proposal to be finalised.

The state government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any enquiries about this matter, I have arranged for Mr Wayne Garnsey of the Department of Planning and Environment, Western Region office, to assist you. Mr Garnsey can be contacted on 58526800.

Yours sincerely

Gateway Determination

Planning proposal (Department Ref: PP_2019_BATHU_001_00): to allow Health Services Facilities as a permissible use on land that is zone RE2 Private Recreation.

I, the Director Regions, Western at the Department of Planning and Environment, as delegate of the Minister for Planning, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Bathurst Regional Local Environmental Plan (LEP) 2014 to allow Health Services Facilities as a permissible use on land that is zone RE2 Private Recreation should proceed subject to the following conditions:

1. Public exhibition is required under section 3.34(2)(c) and schedule 1 clause 4 of the Act as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment 2016).

No consultation is required with public authorities/organisation under section 3.34(2)(d) of the Act.

2. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
3. The planning proposal authority is authorised as the local plan-making authority to exercise the functions under section 3.36(2) of the Act subject to the following:
 - (a) the planning proposal authority has satisfied all the conditions of the Gateway determination;
 - (b) the planning proposal is consistent with section 9.1 Directions or the Secretary has agreed that any inconsistencies are justified; and
 - (c) there are no outstanding written objections from public authorities.

4. The time frame for completing the LEP is to be **12 months** following the date of the Gateway determination.

Dated 1st day of May 2019.
