In my opinion the attached draft environmental planning instrument may legally be made.

Before the instrument is made, the approval of the Governor should be obtained in accordance with section 30 (2) of the *Local Government Act 1993* (relating to the operational land described in Part 2 of Schedule 4, to be inserted by the instrument).

When the environmental planning instrument is made, a map cover sheet that lists the final form of the maps adopted by the instrument should be signed by the person making the instrument.
