

Ms Kiersten Fishburn
Chief Executive Officer
Liverpool City Council
Locked Bag 7064
LIVERPOOL BC NSW 1871

Dear Ms Fishburn

Planning proposal PP_2018_LPOOL_005_00 to amend Liverpool Local Environmental Plan 2008

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to allow vehicle sales or hire premises as an additional permitted use at 2A and 4 Helles Avenue, Moorebank.

As delegate of the Greater Sydney Commission, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

I have also agreed, as delegate of the Secretary, the planning proposal's inconsistency with section 9.1 Direction 6.3 Site Specific Provisions is justified in accordance with the terms of the Direction.

I have considered the nature of Council's planning proposal and have conditioned the Gateway for Council to be authorised as the local plan-making authority.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Greater Sydney Commission may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any further enquiries about this matter, I have arranged for Mr Rodger Roppolo to assist you. Mr Roppolo can be contacted on 8289 6876

Yours sincerely

5/11/18

Gateway Determination

Planning proposal (Department Ref: PP_2018_LPOOL_005_00): to permit additional use of vehicle sales or hire premises at 2A and 4 Helles Avenue, Moorebank

I, the Director, Sydney Region West at the Department of Planning and Environment, as delegate of the Greater Sydney Commission, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Liverpool Local Environmental Plan (LEP) 2008 to permit additional use of vehicle sales or hire premises at 2A and 4 Helles Avenue, Moorebank should proceed subject to the following conditions:

1. Prior to undertaking public exhibition, Council shall amend the planning proposal to include a project timeline, consistent with Section 2.6 of Part 6 of the *A guide to preparing local environmental plans* (Department of Planning and Environment 2016).
2. Public exhibition is required under section 3.34(2)(c) and schedule 1 clause 4 of the Act as follows:
 - (a) the planning proposal is classified as low impact as described in *A guide to preparing local environmental plans* (Department of Planning and Environment 2016) and must be made publicly available for a minimum of **14 days**; and
 - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment 2016).
3. Consultation is required with Roads and Maritime Services under section 3.34(2)(d) of the Act. Roads and Maritime Services is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
4. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission).

5. The planning proposal authority is authorised as the local plan-making authority to exercise the functions under section 3.36(2) of the Act subject to the following:
 - (a) the planning proposal authority has satisfied all the conditions of the Gateway determination;
 - (b) the planning proposal is consistent with section 9.1 Directions or the Secretary has agreed that any inconsistencies are justified; and
 - (c) there are no outstanding written objections from public authorities.
6. The time frame for completing the LEP is to be **12 months** following the date of the Gateway determination.

Dated 5th day of November 2018.
