Dear Mr Hickey

Planning proposal to amend Ballina Local Environmental Plan 2012

I am writing in response to your Council's letter dated 12 November 2014 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to make general housekeeping amendments to the Ballina LEP 2012.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed the planning proposal's inconsistency with S117 Direction 3.1 is justified in accordance with the terms of the direction. No further approval is required in relation to this Direction.

Council will still need to obtain the agreement of the Department's Secretary to comply with the requirements of S117 Direction 4.4, after consultation with the Commissioner of the NSW Rural Fire Service, and Direction 6.2 after consultation with Crown Lands Division of NSW Trade and Investment. Council should ensure this occurs prior to the plan being made.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has now accepted this delegation however has not sought delegation in this instance as some of the subject land is owned by Council. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet

these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Mr Paul Garnett of the Department's regional office to assist you. Mr Garnett can be contacted on (02) 6641 6607.

Yours sincerely

Gateway Determination

Planning proposal (Department Ref: PP_2014_BALLI_009_00): to make general housekeeping amendments to the Ballina LEP 2012.

I, the General Manager, Northern Region at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the EP&A Act that an amendment to the Ballina Local Environmental Plan (LEP) 2012 to make general housekeeping amendments to the LEP, should proceed subject to the following conditions:

1. Council is to consult with the NSW Rural Fire Service as per the requirements of S117 Direction 4.4 Planning for Bushfire Protection and amend the planning proposal, if necessary, to take into consideration any comments made prior to undertaking public exhibition.
2. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs (Department of Planning and Environment 2013)* and must be made publicly available for a minimum of **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning and Environment 2013)*.
3. Consultation is required with the Crown Lands Division of NSW Trade and Investment in relation to the proposed rezoning of Lots 489 and 490 DP 729290, Brunswick Street Reserve, Ballina and Lots 1 and 2 DP 517499, in Lake Ainsworth Caravan Park, Lennox Head, under section 56(2)(d) of the EP&A Act. Crown Lands Division is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
4. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
5. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.
