Hello there. Given that you now have the PC opinion and are just needing to get the 9.1 direction 4.4 signoff, do you think 3 mths will be enough?

Sure no problems. Would you rather request a 3 or 6 month extension?

Hi Gina,
Council would like to request an extension for completion of the PP, the PP is currently being drafted by PC and is nearing completion. From memory once we get this back we will need to go to Council (24 July or 28 August) then gazettal. Some delays were experienced during the mapping process. If we could have until end October 2019 that would be great.
Thanks

Hi Anthony/Tamai

Just checking on the progress of the above PP as it's due for completion by 26 June. If you think you will need an extension, please just email me a request with the additional time needed and the reason for the delay.

Please call if you wish to discuss further.

Regards
Gina
