2. Include a new condition 6: "Prior to finalisation Council is to:

- (a) Provide further justification for the proposed FSR increase to ensure the scale of the development proposed is appropriate taking into account potential traffic and parking and urban design impacts on the site and surrounding area.
- (b) Provide further justification for the extent of commercial uses proposed on the site and the potential impact this additional floorspace may have on the economic viability of nearby centres. This assessment should also take into consideration the priorities and actions in the Central City District Plan and Councils Local Strategic Planning Statement.
- (c) update the planning proposal, if required, consistent with the outcomes of the further information and consultation referred to above.

Dated 20 day of August 2020.
