

IMPORTANT NOTE:
This plan is prepared for DEPT
OF PLANNING AND ENVIRONMENT
from a combination of field survey and
existing records for the purpose of
designing new constructions on the
land and should not be used for any
other purpose.
The title boundaries shown hereon were
not marked by the author at the time of
survey and have been determined by
plan dimensions only and not by
field measurement.

A services search of the area surveyed above has not been undertaken. Visible services shown hereon have been located where possible by field survey. Prior to any demolition, excavation or construction on the site, the relevant authority should be contacted for possible location of further underground services and detailed locations of all services. This note is an integral part of this plan.
