LIMITED TITLE -

* Where land is not fully defined by survey in a new deposited plan, a limited certificate of title will issue indicating that the boundaries have not been examined in LPI. This may include residue parcels and consolidations.

* A Limitation notification is entered on the title in the form:

* 'Limitation pursuant to s.28T(4) Real Property Act 1900. The boundaries of the land comprised herein have not been investigated by the Registrar General.'

NOTES RE AREAS BY CALCUALTION - The areas shown by calculation have best defined the cadastral boundary from the available information. Discrepancies were evident upon calculation of these boundaries and it is highly recommended that a PLAN OF SURVEY defining all of the cadastral boundaries of the precinct be lodged at LPI NSW as soon as possible.
