

Gateway Determination

Planning proposal (Department Ref: PP_2020_ALBUR_001_00): *Inclusion of 'artisan food and drink industry' in various land use tables.*

I, the Director Western Region, Local and Regional Planning at the Department of Planning, Industry and Environment, as delegate of the Minister for Planning and Public Spaces, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Albury Local Environmental Plan (LEP) 2010 to include 'artisan food and drink industry' as a permissible use in the B1-B4 Business Zones and RU5 Village Zone should proceed subject to the following conditions:

1. Public exhibition is required under section 3.34(2)(c) and schedule 1 clause 4 of the Act as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 6.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment, 2018).
2. Consultation is required with the NSW Rural Fire Service under section 3.34(2)(d) of the Act to comply with the requirements of the relevant section 9.1 Direction. NSW Rural Fire Service is to be provided with a copy of the planning proposal and any relevant supporting material and given at least 21 days to comment on the proposal.
3. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The planning proposal authority is authorised as the local plan-making authority to exercise the functions under section 3.36(2) of the Act subject to the following:
 - (a) the planning proposal authority has satisfied all the conditions of the Gateway determination;
 - (b) the planning proposal is consistent with section 9.1 Directions or the Secretary has agreed that any inconsistencies are justified; and
 - (c) there are no outstanding written objections from public authorities.

5. The time frame for completing the LEP is to be **12 months** following the date of the Gateway determination.

Dated 14th day of August 2020.
