

Mr Brett Newman  
Chief Executive Officer  
City of Parramatta Council  
PO Box 32  
PARRAMATTA NSW 2124

Dear Mr Newman,

**Planning proposal PP\_2020\_COPAR\_009\_00 to amend the Parramatta (former The Hills) Local Environmental Plan 2012**

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to permit an additional permitted use at 1 Windsor Road, North Rocks

As delegate of the Minister for Planning and Public Spaces, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

I have also agreed, as delegate of the Secretary, the planning proposal's inconsistencies with section 9.1 Directions 1.1 Business and Industrial Zones, 2.3 Heritage Conservation, 3.4 Integrating Land Use and Transport, 4.3 Flood Prone Land and 6.3 Site Specific Provisions are justified in accordance with the terms of the Direction. No further approval is required in relation to these Directions.

It is requested that Council liaise with relevant agencies as identified in the Gateway determination and it is specifically requested that Council discuss with Transport for NSW the need for additional land for road widening purposes within the site. Further, please advise if the planning proposal needs to be updated with regard to this issue, or if a mechanism for delivery needs to be identified.

Council has requested to be authorised as the local plan-making authority. I have considered the nature of Council's planning proposal and have conditioned the Gateway for Council to be authorised as the local plan-making authority.

The amending local environmental plan (LEP) is to be finalised within 12 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office six

weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning, Industry and Environment.

The state government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any enquiries about this matter, I have arranged for Mr Peter Pham to assist you. Mr Pham can be contacted on 9860 1593.

Yours sincerely

03/11/2020
