Attention Jenna McNabb

Dear Jenna McNabb

Central Darling Shire Council is writing to the Department of Planning, Industry and Environment to submit for finalisation the planning proposal to amend the *Central Darling Local Environmental Plan 2012* to reclassify land at Bonney Street Wilcannia from community land to operational land.

The required community public hearing/meeting, and the exhibition for comment; for the planning proposal to amend the *Central Darling Local Environmental Plan 2012* to reclassify land at Bonney Street Wilcannia from community land to operational land has been completed.

Council resolved at the Council Ordinary Meeting on 15 December 2020 to receive and note the submissions from the public hearing/ meeting on 1 December 2020, and the submissions received from the public exhibition. The Council noted that the submissions did not support the planning proposal to reclassify land at Lots 2, 3 and 4 DP 1201089, and Lot 111 DP 1201028, Bonney Street Wilcannia. However, Council supports the reclassification of the land planning proposal due to the long- term health and community benefits to the Wilcannia community.

Council resolved to support the reclassification of the land at Lots 2, 3 and 4 DP 1201089, and Lot 111 DP 1201028, Bonney Street Wilcannia, and the submission of the Planning Proposal, the Submission Summary Report and Councils Resolution to the Department of Planning, Industry and Environment to finalise the Planning Proposal.

If you require further information on the planning proposal please contact Glenda Dunn at dunn@centraldarling.nsw.gov.au or by telephone on 0408 154 153.

Yours sincerely
