Dear Mr Moore

**Camden Local Environmental Plan 2010 (Amendment No 40)**

I refer to the proposal to amend Camden Local Environmental Plan 2010 to address matters which are of an administrative or low-impact nature, with the aim to improve the overall operation and accuracy of the LEP.

I am pleased to advise that as delegate of the Minister, I have made the plan under section 3.36(2)(a) of the *Environmental Planning and Assessment Act 1979*, and under section 3.24(5) it will take effect when published on the NSW Legislation website.

In making this decision, I have agreed to amend the land descriptions (i.e. addresses or allotments) for certain sites proposed to be amended in the LEP to correctly identify the current descriptions and align the polygons of mapped areas with the cadastre in certain map tiles, and amend certain clauses to meet legal drafting requirements.

Should you have any enquiries about this matter, I have arranged for Ms Chantelle Chow to assist you. Ms Chow can be contacted on 9860 1548.

Yours sincerely
