Is the rezoning intended to address an anomaly that has been identified following the conversion of a principal LEP into a Standard Instrument LEP format?		✓	✓	
Will the planning proposal deal with a previously deferred matter in an existing LEP and if so, does it provide enough information to explain how the issue that lead to the deferral has been addressed?		✓	✓	
If yes, does the planning proposal contain sufficient documented justification to enable the matter to proceed?		✓	✓	

Does the planning proposal create an exception to a mapped development standard?		✓	✓	
Section 73A matters				
Does the proposed instrument a. correct an obvious error in the principal instrument consisting of a misdescription, the inconsistent numbering of provisions, a wrong cross-reference, a spelling error, a grammatical mistake, the insertion of obviously missing words, the removal of obviously unnecessary words or a formatting error?; b. address matters in the principal instrument that are of a consequential, transitional, machinery or other minor nature?; or c. deal with matters that do not warrant compliance with the conditions precedent for the making of the instrument because they will not have any significant adverse impact on the environment or adjoining land? (NOTE – the Minister (or Delegate) will need to form an Opinion under section 73(A)(1)(c) of the Act in order for a matter in this category to proceed).		✓	✓	

NOTES

- Where a council responds 'yes' or can demonstrate that the matter is 'not relevant', in most cases, the planning proposal will routinely be delegated to council to finalise as a matter of local planning significance.
- Endorsed strategy means a regional strategy, sub-regional strategy, or any other local strategic planning document that is endorsed by the Director-General of the department.
