Attention: Mr Dwayne Willoughby, Manager, Environmental Services

Dear Mr Earl

Planning Proposal (PP_2017_BOURK_001_00) to amend the Bourke Local Environmental Plan 2012 to permit with consent residential accommodation in zones RU1 Primary Production and R5 Large Lot Residential

I am writing in response to your Council's email dated 4 and 26 May 2017 requesting a Gateway determination under section 56 of the *Environmental Planning and Assessment Act, 1979* in respect of the planning proposal to amend the Bourke Local Environmental Plan 2012 (LEP) to permit with consent residential accommodation in zones RU1 Primary Production and R5 Large Lot Residential.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination **(Attachment 1)**.

I am satisfied that the planning proposal is consistent with the relevant section 117 Directions including 1.2 Rural Zones and 1.5 Rural Lands and 3.1 Residential Zones and no further work is required.

Plan making powers were delegated to Councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan **(Attachment 2)**.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office (parliamentary.council@pco.nsw.gov.au) 10 weeks prior to the projected publication date.

All related files for LEP Amendment, including PDF Maps, Map Cover Sheet, Planning Proposal document and GIS Data, if available, must be submitted to the Department

Planning & Environment

via the Planning Portal Website at <https://www.planningportal.nsw.gov.au/planning-tools/online-submission-planning-data>. To submit the data, Council is required to create an account and log in using these details.

A copy of the request should be forwarded to the Department of Planning and Environment (westernregion@planning.nsw.gov.au) for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the *Environmental Planning & Assessment Act, 1979* if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Tim Collins of the Departments Western Region office to assist you. Mr Collins can be contacted on 02 6841 2180.

Yours sincerely

Katrine O'Flaherty
