

## Gateway Determination

***Planning proposal (Department Ref: PP\_2019\_BELLI\_001\_00): to reclassify part of Lot 1 DP527901, Bowraville Road, Bellingen, from community to operational land.***

I, the Director Regions, Northern at the Department of Planning and Environment, as delegate of the Minister for Planning, have determined under section 3.34(2) of the Environmental Planning and Assessment Act 1979 (the Act) that an amendment to the Bellingen Local Environmental Plan (LEP) 2010 to reclassify part of Lot 1 DP527901, Bowraville Road, Bellingen, from community to operational land should proceed subject to the following conditions:

1. Public exhibition is required under section 3.34(2)(c) and schedule 1 clause 4 of the Act as follows:
  - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
  - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment 2016).
2. Consultation is required with the following public authorities/organisations under section 3.34(2)(d) of the Act and/or to comply with the requirements of relevant section 9.1 Directions:
  - Office of Environmental and Heritage
  - NSW Rural Fire Service
  - Coffs Harbour & District Aboriginal Lands Council

Each public authority/organisation is to be provided with a copy of the planning proposal and any relevant supporting material and given at least 21 days to comment on the proposal.

3. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).

4. The time frame for completing the LEP is to be **12 months** following the date of the Gateway determination.

Dated 6 day of March 2019.
