Attention: Tracey Stephens, Planning Officer

Dear Mr Roncon

Planning proposal (PP_2016_BROKE_001_00) to amend Broken Hill Local Environmental Plan 2013 – Proposed Animal Pound Facility – Lot 1 DP 1162606, Airport Road, Broken Hill

I am writing in response to your Council's request for a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* in respect of the planning proposal to amend Schedule 1 'Additional Permitted Uses' of the Broken Hill Local Environmental Plan 2013 (LEP) to allow development for an animal pound facility at Lot 1 DP 1162606, Airport Road, Broken Hill.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination (Attachment 1).

The Minister delegated plan making powers to Councils in October 2012. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan (Attachment 2).

The amending Local Environmental Plan (LEP) is to be finalised within 6 months from the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office (parliamentary.counsel@pco.nsw.gov.au) 10 weeks prior to the projected publication date.

A copy of the request should be forwarded to the Department of Planning and Environment (westernregion@planning.nsw.gov.au) for administrative purposes.

All related files for the LEP Amendment, including Maps, Map Cover Sheet, Planning Proposal document, section 59 Reporting and GIS data, if available, must be submitted to the Department via the Planning Portal Website at <https://www.planningportal.nsw.gov.au/planning-tools/online-submission-planning-data>.

To submit the data, Council is required to create an account and log in using these details.

In accordance with "A guide for the preparation of local environmental plans" attachment 5 – Delegated plan making reporting template (Attachment 3) is enclosed for Council's information. Table 2 of the attachment is to be completed and included in Council's section 59 submission and forwarded to the westernregion@planning.nsw.gov.au when requesting the planning proposal be finalised.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the *Environmental Planning & Assessment Act, 1979* if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Tim Collins of the Departments Western Region office to assist you. Mr Collins can be contacted on 02 68412180.

Yours sincerely,

 15-9-2016
