Attention: Kayla Robson, Manager of Planning

Dear Ms Redden

**Planning proposal (PP_2016_NARRO_001_00) – Alteration of Gateway
determination- Fowler Steam Engine – Extension of time until 15 June 2019**

I refer to your letter in relation to revisions to planning proposal
PP_2016_NARRO_001_00 seeking an extension of time to complete planning
proposal to list the Fowler Steam Engine as a moveable heritage item.

Council have requested a four (4) year timeframe extension to allow the restoration
of the Fowler Steam Engine. I have considered the request and granted a 12 month
extension to allow reconsideration of the matter at that time.

I have determined as the delegate of the Minister, in accordance with section 3.34(7)
of the *Environmental Planning and Assessment Act 1979*, to alter the Gateway
determination dated 8 September 2016 for PP_2016_NARRO_001_00 (as altered).
The Alteration of Gateway determination is to extend the timeframe to complete the
planning proposal by twelve (12) months until 15 June 2019.

If you have any further questions in relation to this matter, I have arranged for Tim
Collins, Western Region to assist you. Mr Collins can be contacted on 6841 2180.

Yours sincerely
