Dear Mr McKee

Planning Proposal to amend Ku-ring-gai LEP (Local Centres) 2012

I am writing in response to Council's letter requesting a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* ("EP&A Act") in respect of the Planning Proposal to amend the Ku-ring-gai LEP (Local Centres) 2012 by reclassifying four council owned sites at 818 Pacific Highway Gordon, 2-4 Moree Street Gordon, 62 Pacific Highway Roseville, and 1186-1188 Pacific Highway Pymble, from Community Land to Operational Land.

As delegate of the Minister, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

The Minister delegated his plan making powers to councils in October, 2012. However as Council has identified interests in the land it wishes to extinguish, Council will not be able to exercise the delegation. In this instance, Council will be required to submit the adopted plan to this office for finalisation, as the reclassification items will be required to be submitted by the Minister to the Governor for her approval.

Council is reminded of its obligations for undertaking a public hearing in relation to the proposed reclassification of land in accordance with the Department's practice note PN09-003, *Classification and reclassification of public land through a local environmental plan*. Your attention is drawn to the requirements under Attachment 2 of the practice note. A copy is enclosed for your information.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request for the Department to draft and finalise the LEP should be made six (6) weeks prior to the projected publication date.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage.

In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Mr Michael Druce, Planning Officer, Metropolitan Delivery Office (Parramatta) on 02 9860 1544.

Yours sincerely

R Cumming 4/6/2014
