Attention: Mr Chris O'Brien – Town Planner

Dear Ms Stork

Planning Proposal (PP_2016_MRIV_001_00) to amend Murray Local Environmental Plan 2011 (Amendment 6) to insert the 'boundary adjustment' model clause and undertake minor amendments

I am writing in response to Council's letter received 8 July 2016 requesting a Gateway determination under the *Environmental Planning and Assessment Act 1979* in respect of the planning proposal to allow boundary adjustments for rural and environmental-zoned land, as well as undertaken minor amendments to clarify Clause 4.2A(3) – 'Erection of dwelling houses on land in certain rural and environmental zones', and insert the 'river front area' definition into clause 7.4 – Development on river front areas.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway determination (Attachment 1).

The Minister delegated plan-making powers to Councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan (Attachment 2).

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office (parliamentary.counsel@pco.nsw.gov.au) 10 weeks prior to the projected publication date.

A copy of the request should be forwarded to the Department of Planning and Environment's Western Region office (westernregion@planning.nsw.gov.au) for administrative purposes.

All related files for the LEP Amendment, including PDF Maps, Map Cover Sheet, Planning Proposal document, section 59 Reporting and GIS data, if available, must be submitted to the Department via the Planning Portal Website at <https://www.planningportal.nsw.gov.au/planning-tools/online-submission-planning-data>. To submit the data, Council is required to create an account and log in using these details.

In accordance with 'A guide for the preparation of local environmental plans' Attachment 5 – Delegated plan making reporting template (Attachment 3) is enclosed for Council's information.

Table 2 of the attachment is to be completed and included in Council's section 59 submission and uploaded to the Planning Portal when requesting the planning proposal be finalised.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the *Environmental Planning and Assessment Act 1979* if the timeframes outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Jenna McNabb of the Department's Western Region office to assist you. Ms McNabb can be contacted on (02) 68412180.

Yours sincerely

 20-7-2016

Gateway Determination

Planning proposal (Department Ref: PP_2016_MRIV_001_00): to amend the Murray Local Environmental Plan 2011 to allow minor boundary adjustments for rural and environmental zoned land, as well as undertaken minor amendments to clarify Clause 4.2 A (3) – Erection of dwelling houses on land in certain rural and environmental zones, and insert the 'river front area' definition into clause 7.4 – Development on river front areas.

I, the Director Regions, Western at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* that the amendment to the Murray Local Environmental Plan 2011 (LEP) to allow boundary adjustments for rural and environmental zoned land, as well as undertaken minor amendments to clarify Clause 4.2A(3) – Erection of dwelling houses on land in certain rural and environmental zones, and insert the 'river front area' definition into clause 7.4 – Development on river front areas should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the *Environmental Planning and Assessment Act 1979* (EP&A Act) as follows:
 - (a) The planning proposal is required to be made publicly available on exhibition for 28 days as described in *A Guide to Preparing LEPs* (Department of Planning and Infrastructure 2012).
 - (b) The relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs*.

No consultation is required with public authorities under section 56(2)(d) of the *Environmental Planning and Assessment Act, 1979*.

2. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the *Environmental Planning and Assessment Act 1979*. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
3. The timeframe for completing the LEP is to be 12 months from the week following the date of the Gateway determination.

Dated 20th day of July 2016.
