

Mr Kerry Robinson  
General Manager  
Blacktown City Council  
PO Box 63  
BLACKTOWN NSW 2148

Dear Mr Robinson

**Planning proposal PP\_2018\_BLACK\_011\_00 to amend Blacktown Local Environmental Plan 2015**

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to increase the applicable height of building control from 10m to part 18m and part 14m for land at 137-141 (Lots 1-6 DP 211530) Newton Road, Blacktown.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

I have considered the nature of Council's planning proposal and have conditioned the Gateway for Council to be authorised as the local plan-making authority.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Greater Sydney Commission may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any further enquiries about this matter, I have arranged for Mr Michael Cividin to assist you. Mr Cividin can be contacted on 9860 1554.

Yours sincerely
