Dear Mr Lindsay

**Planning proposal PP_2018_CLARE_003_00 to amend Clarence Valley Council
Local Environmental Plan 2011**

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal for housekeeping amendments to rectify minor errors and reflect recent updates.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

I have also agreed, as delegate of the Secretary, the planning proposal's inconsistencies with section 9.1 Directions 1.5 Rural Lands, 2.3 Heritage Conservation, 4.1 Acid Sulfate Soils, 4.3 Flood Prone Land and 6.2 Reserving Land for Public Purposes are justified in accordance with the terms of the Direction. In relation to section 9.1 Direction 6.2 Reserving Land for Public Purposes, I have agreed to the reduction of land for public purposes on Lot 102 DP 1246282 on the basis that the land is privately owned and the rezoning will allow that portion of the land to match the zoning of the rest of the lot. No further approval is required in relation to these Directions.

Council may still need to obtain the agreement of the Secretary to comply with the requirements of relevant section 9.1 Directions 4.4 Planning for Bushfire Protection. Council should ensure this occurs prior to public exhibition / the plan being made.

I have considered the nature of Council's planning proposal and have conditioned the Gateway for Council to be authorised as the local plan-making authority.

The amending local environmental plan (LEP) is to be finalised within nine months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office six weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment.

The state government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any further enquiries about this matter, I have arranged for Ms Alison Parr to assist you. Ms Parr can be contacted on 6641 6612.

Yours sincerely
