Planning proposal (Department Ref: PP_2019_TWEED_007_00): to identify a medical centre as an additional permitted use at Lot 12 DP 803451, 22-38 Florence Street, Tweed Heads.

I, the Director at the Department of Planning, Industry and Environment, as delegate of the Minister for Planning and Public Spaces, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Tweed City Centre Local Environmental Plan (LEP) 2012 to identify a medical centre as an additional permitted use at Lot 12 DP 803451, 22-38 Florence Street, Tweed Heads should proceed subject to the following conditions:

1. Prior to agency and community consultation the proposal is to be amended to:
 - (a) include the proposed Additional Permitted Use map; and
 - (b) remove references to the draft Tweed Regional City Action Plan

2. Public exhibition is required under section 3.34(2)(c) and schedule 1 clause 4 of the Act as follows:
 - (a) the planning proposal is classified as low impact as described in *A guide to preparing local environmental plans* (Department of Planning and Environment, 2018) and must be made publicly available for a minimum of **14 days**; and
 - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 6.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment, 2018).

3. Consultation is required with Transport for NSW (Roads and Maritime Services) under section 3.34(2)(d) of the Act. Transport for NSW (Roads and Maritime Services) is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal

4. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).

5. The planning proposal authority is authorised as the local plan-making authority to exercise the functions under section 3.36(2) of the Act subject to the following:
 - (c) the planning proposal authority has satisfied all the conditions of the Gateway determination;
 - (d) the planning proposal is consistent with section 9.1 Directions or the Secretary has agreed that any inconsistencies are justified; and
 - (e) there are no outstanding written objections from public authorities.

6. The time frame for completing the LEP is to be **9 months** following the date of the Gateway determination.

Dated 15 day of January 2019.
