

Gateway Determination

Planning proposal (Department Ref: PP_2016_BLUEM_002_00): to make a number of minor 'housekeeping' amendments to the *Blue Mountains LEP 2015*.

I, the Director, Sydney Region West at the Department of Planning and Environment as delegate of the Greater Sydney Commission, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the *Blue Mountains Local Environmental Plan (LEP) 2015* to make a number of minor 'housekeeping' amendments should proceed subject to the following conditions:

1. Prior to undertaking public exhibition Council in relation to S117 Direction 4.4 Planning for Bushfire Protection, Council is required to forward the planning proposal to the Rural Fire Service (RFS). If the RFS requires any additional information, or specifies any additional matters to be addressed, the planning proposal is to be updated accordingly.
2. Community consultation is required under sections 56(2)(c) and 57 of the Act as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs (Department of Planning and Infrastructure 2013)* and must be made publicly available for a minimum of 14 days; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning and Infrastructure 2013)*.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be **6 months** from the week following the date of the Gateway determination.
