

Mr Craig Swift-McNair
General Manager
Port Macquarie-Hastings Council
PO Box 84,
PORT MACQUARIE NSW 2444

Dear Mr Swift-McNair

Planning Proposal PP_2018_PORTM_001_00 to rezone the Port Macquarie-Hastings Local Environmental Plan 2011

I am writing in response to Council's request for a Gateway determination under Section 56 of the *Environmental Planning and Assessment Act 1979* (the Act) received on 5 December 2017, in respect of the Planning Proposal to rezone land within the Town Square, Horton street, Port Macquarie from RE1 Public Recreation to B3 Commercial Core.

As delegate of the Minister for Planning, I have now determined the Planning Proposal should proceed subject to the conditions in the attached Gateway determination.

Plan making powers were delegated to Councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under Section 54(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any further enquiries about this matter, I have arranged for Ms Gina Davis to assist you. Ms Davis can be contacted on (02) 6701 9687.

Yours sincerely

 16-01-2018

Gateway Determination

Planning Proposal (Department Ref: PP_2018_PORTM_001_00): to rezone land within the Town Square, Horton street, Port Macquarie from RE1 Public Recreation to B3 Commercial Core.

I, the Director Regions, Northern at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act, 1979* (the Act) that an amendment to the Port Macquarie-Hastings Local Environmental Plan (LEP) (2011) to rezone within the Town Square, Horton street, Port Macquarie from RE1 Public Recreation to B3 Commercial Core should proceed subject to the following conditions:

1. Prior to community consultation, the Planning Proposal is to be updated to include consideration of Section 117 Directions 2.2 Coastal Protection, 4.1 Acid Sulphate Soils and 6.2 Reserving Land for Public Purposes.
2. Community consultation is required under sections 56(2)(c) and 57 of the Act as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in Section 5.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment 2016).
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be **9 months** following the date of the Gateway determination.

Dated *16.* day of *JANUARY* 2018.
